

# CHURCH FENTON PARISH COUNCIL

## OLD SCHOOL FIELD

The Parish Council have been approached by Jigsaw's Nursery with regard to using the Old School Field for outdoor activities. The Council wishes to find out the views of local residents before a decision is taken on this proposal.

The land is owned by the Parish Council with a public right of way running across the north of the site (see plan below). To date the site has been managed and maintained as an area of open space available for general public use.

The Nursery currently use other sites for their outdoor activities, but these are not as convenient as they are further from their building.

They would propose to install some picnic tables and a small storage box for equipment, but would otherwise leave the site unchanged. There would need to be some fencing whilst the Nursery is using the site, but this could be temporary only.

There would be restrictions on public use whilst the site is being used by the Nursery. Outside these hours the site continue to be available for community use, who would also be able to use the picnic tables.

The Council would welcome views regarding the proposed use of this site by the Nursery as this would change its accessibility for public use.

Please send your comments to the Parish Clerk by email to [clerk@church-fenton.net](mailto:clerk@church-fenton.net) or by post to 10 Old Farm Way, Brayton, Selby. YO8 9SZ. Comments should be received by Friday 14<sup>th</sup> September to allow them to be reported to the next Council meeting.
